

Parking at the Theosophical Society in Seattle can be difficult. There is free or paid on-street parking in the neighborhood. The paid on-street parking is \$3/hour with a 2 hour limit. The free parking is a crazy quilt of no time limit blocks and blocks with 4 and 2 hour limits. If there are limits on a block, there will be 4 or 2 hour signs to that effect; if there are no signs, then there is no time limit. Look carefully!

The map above shows the free on-street parking in the neighborhood north of the TS.

There are 3 paid parking lots nearby, also. Their prices are reasonable on weekends. The map below shows their locations and information.
